## We can support you through:

- **Hiring Events** that put you face-to-face with employers who have immediate openings
- **Career Coaching** to identify opportunities for career development and advancement
- **Educational and Skills Training** through our College and Technical Training partners
- **Tuition Support** to reduce the cost of furthering your occupational education or skills training
- **Apprenticeship Opportunities** that allow you to earn while you learn
- **Child Care** that may be available at a reduced cost so you can concentrate on building a better future

# Workforce Solutions for North Central Texas

## The Leader in Developing Tomorrow's Workforce

**Workforce Solutions for North Central Texas has an Ecosystem of Services and Partnerships to help you through every stage of your career journey.**

A **Dedicated Career Development Specialist** who understands your career interests and aspirations, will develop a step-by-step plan to help you reach your goals.

**Preparation for In-Demand Occupations** through customized programs created by our College, Technical and Business partners to teach you the skills employers need now and in the future.

**Work-Based Learning Opportunities** through local employers, such as on-the-job training and apprenticeship programs, where you can earn a paycheck, develop your skillset and advance your career.

**Adult Education Literacy** courses, provided by local Adult Education and Literacy partners, to help you build the skills needed to succeed in the workplace.

**Vocational Rehabilitation**, in partnership with Texas Workforce Solutions-Vocational Rehabilitation Services, to help you prepare for, find or retain employment if you have a disability.

**Ready to transform  
your career?
