WORKFORCE SOLUTIONS FOR NORTH CENTRAL TEXAS PRESENTS MONTESSORI LEARNING HOUSE BILINGUAL SCHOOL WITH THE CHILD CARE PROVIDER OF THE YEAR AWARD

ARLINGTON, Texas – Workforce Solutions for North Central Texas (WSNCT) has presented the Montessori Learning House Bilingual School with the Child Care Provider of the Year award. The child care facility, located in Little Elm, Texas, was recognized at WSNCT’s annual Awards of Excellence event held on January 29, 2020 at the Hurst Conference Center in Hurst, Texas.

The Award of Excellence recognizes the dedication and impact of those who work in, with and on behalf of the organization, including board members, workforce center staff, business partners, educational institutions and community organizations throughout the 14-county area served by WSNCT.

“It’s an honor to recognize a child care facility that is committed to providing quality care and education for our children,” said David Setzer, Executive Director for WSNCT. “Since opening the facility in 2018, Montessori Learning House has maintained an exemplary Child Care Licensing history and is meeting director and staff qualifications at the highest level.”

The Montessori Learning House Bilingual School is a Four-Star Texas Rising Star (TRS) provider, the highest certification level a child care provider can receive from the TRS program. The Center Director holds a non-expiring director’s license through Child Care Licensing, and more than 75% of the staff have a degree or a Child Development Associate credential. The Montessori Learning House Bilingual School’s teaching approach is driven by the child’s own individual development. English is spoken during the morning and Spanish is spoken in the afternoon. The school is accepting of diversity, and embraces the differences and individuality of each family and child in its care.

About Workforce Solutions for North Central Texas

Workforce Solutions for North Central Texas (WSNCT) leads the way in developing today’s workforce and anticipating the occupations and skills needed for tomorrow. We transform business, lives and communities in our 14-county region through strategic workforce planning, talent development programs and a network of academic, industry and economic partners.
